# Aden Family Places Well at Champaign County Fair

In the African Violet, single, any color category, Herbert Aden won the Champion rating this past week at the Champaign County Fair. His wife, Nancy took second place in the same category.

Herb and Nancy Aden of rural Newman along with three of their daughters and family members did very well at the recent Champaign County fair. Their daughter Lindy, daughter Casey Long and husband Wayne, and daughter Tiffany Paul all had numerous entries and placed very high in the Floriculture categories.

The Aden family's long participation goes back to right after Herb and Nancy were married in 1969. Nancy indicated that she started showing her flower arrangements in the Moultrie-Douglas County Fair around 1972. She also has shown in the Vermilion County Fair, the

Coles County Fair, the Georgetown Fair, and in Indiana and Iowa.

The Adens live north-west of Newman on the farm where Nancy grew up. Her parents were Ralph and Juanita Schweineke. That farmstead is the home to the flower gardens that produce the varieties that they are able to compete with for the past number of years. Herb continues to farm and now farms along side his son-in-law Wayne Long.

Herbert Aden was reserve champion in arrangements, silk and dried. He received first place for his African violets and large

#### OBITUARY

# **Charles Geyer**

NEWMAN – Charles Edward "Ed" Geyer, 64, of Newman died at 5:28 p.m. Saturday (July 20, 2013) at Carle Foundation Hospital in Urbana.

Funeral services were held at 2 p.m. Wednesday, July 24, at Joines Funeral Home, Illinois Route 130 South, Villa Grove, with Pastor Dwayne Piercy officiating. Burial with military rites by the Villa Grove VFW Post 2876 were in St. John's Cemetery, Broadlands. Visitation was held one hour before the service Wednesday at the funeral home.

Mr. Geyer was born Aug. 3, 1948, in Salem, Ill., a son of Forrest and Darlene (Hargrave) Geyer. He married Deborah Hoskins on Oct. 16, 1971; she survives in rural Newman.

Also surviving are one son, Brent Geyer of Villa Grove; three daughters, Nikki Geyer and Ashely Geyer of Villa Grove and Amy Rund of Belleville; two grandchildren; two brothers, Mike Geyer of Lafayette, Ind., and Ron Geyer of Ambia, Ind.; and two sisters, Sue Callahan of Lafayette, Ind., and Rita Garriet of Boswell, Ind.

Mr. Geyer was preceded in death by his parents and one son, Randy Dwayne Geyer.

Mr. Geyer was a veteran of the U.S. Army and served in Vietnam. He worked for Trunkline Gas Company in Tuscola for 43 years.

Memorials can be made to an organization of the donor's choice.

#### LETTER TO EDITOR

To the residents of Newman,

As noted in the *Newman*Independent's coverage of the July meeting of the city council, no open burning of any material except landscape waste is permitted in the City of Newman. There are no exceptions. "Open burning" means the combustion of any matter in such a way that the products of the combustion are emitted to the open air without originating in or passing through equipment for which a permit could be issued under Section 9(b) of the Environmental Protection Act of the State of Illinois.

A fine will be issued to anyone who violates this ordinance.

Again, NO burning of any material except landscape waste is permitted in the City of Newman. Please check the Newman City Codes if you have any questions concerning this.

Thank you, Jim Allen Mayor

# DAR American History Essay Contest

The 2013 topic for the annual Daughters of the American Revolution (DAR) American History Essay Contest was recently selected: The Lives of Children During the American Revolution. The essay writer will pretend to be a boy or girl during the colonial fight for freedom. Using historical facts, the writer will discuss how the war has affected his/ her life. The war dramatically changed the lives of children during the Revolution. Some actually followed their fathers into battle; others stayed home and assumed new responsibilities that were necessary for their families' survival. The writer is to imagine himself in the place of such a child taking on important and often adult responsibilities. He is also to describe some of the changes taking place in his/her life and that of the family as he/she face this new situation. The writer may portray either a historical child or a fictional child living in the era of the American Revolution.

Details and a comprehensive list of resources are available from Marlene Lincoln, P.O. Box 106, Tuscola, IL 61953; email: mrlnlincoln@yahoo.com

# Medical Update on Stephanie Albin

by Cathy Hales

Stephanie Albin, daughter of Renee Bullock, and granddaughter of Louise Bullock is still in need of your prayers. Stephanie received a new liver and kidney at Barnes Hospital in St. Louis. She did very well, her new liver and kidney started working immediately after her surgery.

She surprised even the doctors.
Stephanie's family knows she has

been prayed for by so many people, and they will be sending out their thank yous soon. She is a walking miracle. However, one possible but rare complication of the surgery she had was her lymphatic system could be damaged.

Unfortunately, this does happen because the lymph system is very

because the lymph system is very delicate and there are crucial lymph organs along the spinal column.

Stephanie's were damaged and as a result, her abdomen is filling with a fluid called chyle (pronounced Kyle). She is having 9 to 12 liters of fluid removed from her abdomen frequently. There are but only a few options to cure this problem.

Her family is taking her to Indianapolis this week because they have a unit that specializes in treating this lymphatic trauma. They are hopeful something can be found to help her. She has been through so much in her 23 years, but she is a walking miracle. So her family asks that you will keep up the prayers for her because they have been such a help to Stephanie and to her family.

EDITORS NOTE: There is an account open at the First Neighbor Bank of Newman in Stephanie's name. If you would like to contribute to her travel expenses, her Aunt Kim will see that the money is used to help Stephanie in her new fight to return to health.

# The Legion Roofing **Project is Getting**

#### Closer by Dana Hales

Steve Allen called earlier, Sunday afternoon to leave me a message about the continued efforts to reach the goal of re-roofing the Legion Post. His message was brief but full of excitement when I found it later. Someone who chooses to remain anonymous has donated \$1000 to the project. With people like this helping to reach the needed goal, the roof replacement will come to fruition in short order. To date, my tally shows we have received \$5000. What a great community to continue to support our organization and post facility.

The American Legion Post and Legion Auxiliary want to thank the community for their support through donations to enable us to complete this necessary project.

The post provides many, the place to hold special events such as graduation parties, birthday parties, wedding receptions, family gatherings, community events, and special land or property auctions. The Post facility has been and will continue to be an asset to the community through your generous donations to complete the roofing project.

The Independent will continue to keep the community abreast of the funding project efforts and its contributors.

# **High Temperature Health Warning**

**SPRINGFIELD** – With high temperatures expected over the next couple of days, Illinois Department of Public Health Director Dr. LaMar Hasbrouck is urging Illinoisans to take preventive actions during this hot weather to avoid heatrelated illness, such as heat-stroke.

"It's important for people to recognize the signs of heat-related illness and take action to prevent becoming sick. High heat and humidity can lead to serious health problems," Dr. Hasbrouck said. "To help your body cope with high temperatures, take steps to stay cool, increase your fluid intake, decrease your activities and wear appropriate clothing."

Normally, the body cools itself by sweating. However, if temperatures and humidity are extremely high, sweating is not effective in maintaining the body's normal temperature. If the body does not cool properly or does not cool enough, a person may suffer a heat-related illness, which can become serious or even deadly if unattended.

#### Heatstroke is caused by prolonged exposure to the heat. Symptoms of heatstroke include:

- Headache
- · Red, dry face Skin hot to touch

- Loss of consciousness
- Seizures, irregular heartbeat

Heat stroke treatment – call 911; quickly cool the person in a cool bath or wrap wet sheets around them; if the victim refuses water, is vomiting or shows a decreased level of consciousness, do not give anything to eat or drink.

Heat exhaustion can occur either indoors or outdoors, with or without exercise. Symptoms of heat exhaustion include:

- Dizziness
- · Cool, clammy skin
- Nausea
- Heavy perspiration
- Muscle tremors, cramping

# Shiloh JFL Players Christen New Era Rejoining League with Tri-County sea

Back in the day, the junior football

players for the Shiloh School District joined forces with players from the Heritage School District to form the East Central Panthers JFL program. This team started its roots playing in the Wabash Valley Youth League and found success making the playoffs in four straight years between two classifications including a second place finish for the sixth grade team in 2009 along with the eighth grade team making three straight playoff appearances. In 2011, the team went into new territory joining the Little Illini Junior Football League giving the players the opportunity to play against more teams that had ties to the Little Okaw Valley Conference. Now here in 2013, the Shiloh players are heading back to their roots. During the spring, the school boards of Shiloh and Heritage ended their partnership in football giving both schools an opportunity to explore new horizons. The Heritage players for this season will be playing with the Villa Grove school district and the JFL players will stay in the LIJFL. The Shiloh players made a new partnership to play this season with the Tri-County Titans football program and the JFL players will be doing the same as full speed practices will have started up this week with the upcoming 2013 WVYL season beginning in just two weeks and the Shiloh players joining a program that has seen great success in the past two years winning two straight titles within both classifications and look to build

new team on the road towards a title.

The sixth grade team hopes to bounce back from a 0-8 season after going 7-2 in 2011 and defeating Paris in the title game. Last season was also a first for the WVYL as the league was split into two divisions based on program and town size. The addition of the Shiloh players will add more depth towards a squad that will have the experience from moving up to the sixth grade classification to face off against some

on that momentum heading into a new

look league that will welcome a brand

The eighth grade squad comes in as the defending WVYL champions after going 8-2 and winning their second ever playoff game as an entire program last season. The team itself will have to rely on players moving up in

classification to replace a solid core of eighth graders who will be moving on to the high school ranks this season. As like the sixth grade team, the addition of the Shiloh players who have that experience in the classification will help build the strength and dynamic of what the Titans will bring to the table in hopes of getting back towards repeating as the top dog in the league.

The Titans will once again play in the Small Division playing against teams like Oblong, Palestine-Hutsonville, Cumberland, and Martinsville while playing the other five teams in the Large Division such as Casey-Westfield, Newton, Marshall, Paris, and debut of a team from across the border in Indiana in the Terre Haute Boys & Girls Club. This will be the first time in league history that the JFL teams will play the same amount of games as their high school counterparts and should provide great drama and excitement throughout the course of the season only the first and second place teams in each division will qualify for the 2013 playoffs in the first weekend of October. The WVYL finals will then be held on October 12 at Marshall Junior/Senior High School in Marshall with the winners of the Small and Large division title games battling it out for the overall title.

The season will officially begin with the annual WVYL Jamboree this Saturday which will be held at Cumberland High School in Toledo. The Jamboree itself will be a series of practice games with the sixth grade teams playing on one end of the field and the eighth grade teams playing on the other half. This will give all of the teams a chance to feel each other out and study themselves to prepare for actual league play. The games will begin for real next weekend on August 3<sup>rd</sup> for the Titans on home soil at Titans Field at Oakland High School in Oakland as they host the newcomers in the Terre Haute Boys and Girls Club. Kickoff time to start the 2013 festivities will be at 5:30 pm. Football Express will be your source for all of the action and highlights of the Titans this season as a new era begins towards the road to October and the WVYL Finals.

of the top teams in the league.

Hats off to Charleston Speedway, the track was in good shape and very racey. Next weekend will be racing Friday and Saturday. Friday will be a double points event. Saturday is the 3rd Annual Raymond White Memorial Race. Extra money for all classes. Gates open at four, qualify at seven and racing follows.

In the Street Class, rookie AJ Winnett would set the fast time with 16.315. For the feature event, he was the fourth driver out of the chute in a class of fourteen cars. Josh Griffith and Jordan Smith were the heat winners. Winnett and Griffith would bring the field to the green. Griffith would take the lead coming out of turn two. **Matt Dillon** and Smith were having a good race for second. **Dillon** was able to get around Smith coming out of turn

two. Darvl Hellman and Benji Rine wer in

a battle for fourth and battled for several laps. Rine would get around Hellman. Hellman would stay right with Rine. Rine got high in turn two and Hellman was right there to make the move back into fourth. Griffith was having a solid run up front in the lead. Jesse Simmons had some mechanical problems with the car during qualifying and pulled off in the heat run. Simmons started twelfth and worked his way through the field, coming on strong during the final laps. Simmons would finish sixth. Griffith would go on to win the feature event.

Nate Zimmer won the modified feature, Josh Griffith won thestreet stock and David Gentry won the factory stock. Points leaders in Street Class are: J. Griffith with 266, Hellman with 207, **Matt Dillon** with 194 and Rine with 165.

# Summer Sizzle With Tim Hendershot

This is it! Welcome to the final edition of the Summer Sizzle for the 2013 Shiloh Raiders Little League baseball and softball season. Our Softball A squad went into their league tournament looking to finish strong and that is what they just did getting to the Final Four going 2-2 to complete their season at 7-6 giving the entire program its fourth winning record of the year and showing why it is one of the up-and-coming programs in the area. It is impressive to see the improvement and growth of the players with their teamwork and unity to go out on the field and give it 100% effort each and every game and this season has been rewarded with two league titles and good runs in the three other tournaments showing that the program has arrived. It will be a confidence booster for these young men and women as they head into the upcoming school year and playing for their respective sports teams to build on that momentum to solidify that unity and chemistry going forward. This will also give the program a goal to come back even stronger to defend the titles won and correlate what they have accomplished into better things once the players move up in divisions heading into the 2014 season. The Sizzle congratulates all of the players and coaches for the best summer season ever and can't wait to see what the Blue and Gold can offer to the table once next April comes around to start another summer season and show that they have arrived to contend against the top summer teams from across East Central Illinois. You have made the six communities of the program very proud that you represent them with honor, pride, and dedication towards a winning tradition that will hopefully be continued for years to come. Enjoy the rest of the summer!

- Protect your body. Wear lightweight, light-colored, loose-fitting clothing. When spending time outdoors, avoid direct sunlight, wear a hat and use a sunscreen with SPF 15 or higher.
- Never leave anyone, including pets, alone in a closed, parked vehicle. The air temperature inside a car rises rapidly during hot weather and can lead to brain damage or death.
- Stay indoors and, if possible, stay in an air-conditioned place. If your home does not have air conditioning, go to a public place such as a cooling center, a senior citizen center, a church, a mall, the local YMCA or a center designated by your community that does have air conditioning. Even a few hours spent in air conditioning can help your body stay cooler when you go back into the heat. Fans alone will not effectively cool an overheated person when air temperatures are above 90 degrees Fahrenheit. If you must go outside:
- Slow down and avoid strenuous activity. If you must do strenuous activity, do it during the early morning or late evening hours when it is cooler.
- Take regular breaks when engaged in physical activity on warm days. Try to rest often in shady or cool areas. If you recognize that you, or someone else, are showing signs of a heat-related illness, stop activity and find a cool place.

Anyone can suffer from heat-related illness, but some people are at greater risk. Check regularly on:

- Infants and young children
- People aged 65 or older
- People who have mental illness
- Those who are physically ill, especially with heart disease or high blood pressure For more information log onto www.idph.state.il.us

Texas and wanted to share the wonderful time we had! We left on Friday the 5th of July and drove to St. Louis where we stayed at the Hampton Inn, 1/3 mile from the airport. They had a shuttle service and we could leave the car there. We got up Saturday morning and had their delicious breakfast. It was like going to a breakfast buffet at a high end restaurant. Then the shuttle took us to the American Airline curb checkin. I asked if they had a wheelchair for Bob and they not only got one for us, but took us to our gate...

We flew from St. Louis to Dallas/Fort Worth. There the excitement started. They were trying to get us a cart to take us clear across the airport to the next gate we were to board. No one came and finally the young man who met us with the wheelchair, said follow me and away we ran, literally!!!! We made the elevator and then the tram train just in time to get around to our gate where people were already boarding. This was due to having to set on the tarmac when we arrived while another plane moved out of our spot!!!! But we made the flight and arrived in San Antonio in time. There we took a cab to our hotel which just happened to be on the parking lot of the Cornerstone Church. We heard later that one of the Hagee boys owns the hotel. They also had a wheelchair for us to use while we were there and it made life so much easier. We checked in, asked where the closest place to eat and was directed across the road to a place called Drews. It was great and in the course of visiting, they heard us talking about celebrating my birthday by coming to hear Rev. John C. Hagee in person. They brought me out a piece of cheesecake complete with lit candle and wished me Happy Birthday. We were impressed to say the least.

Sunday morning we got ready and went down to another wonderful buffet breakfast and then off across the parking lot to the church. We met Tim Duncan of Canton Junction along the way and he said they were singing. He was the former bass singer with Ernie

We went into the church and you cannot believe all the people who came up and shook our hands and asked if we were visitors and welcomed us to the church! Southern hospitality to the nth degree! When asked we told them this was one of our bucket lists to hear Rev. Hagee in person and they asked where we would like to set. Of course, I said as close as I can get. They set us in the second row from the stage!!!! There again people came over and welcomed us and was telling us what went on and how loved and respected Rev. Hagee and his entire family were to San Antonio.

Church started and Rev. Hagee asked all the visitors to stand, and then

pointed to and told us the door to go through for the visitor's reception after

What a wonderful service. It was on "Who are you?" I ordered the DVD so I can keep it. The minute you entered the church you felt God's presence and throughout the whole service. Canton Junction sang, "Hide Thou Me and Going Home" and it was beautiful! Rev. Hagee gave a heartfelt God given sermon that anyone could understand.

After the service the man who had helped us to our seats from the beginning helped us up the stairs and to the reception room. There, Matthew Hagee was talking. In the course of our conversation we had told this man we were from about 40 mile from Champaign and was really hoping to meet Rev. Hagee in person. He said, my wife has family from there, I'll be right back. He came and got us, knocked on this big door and it opened to bodyguards and Rev. Hagee. He asked our names and hugged us and visited and then had prayer for a safe journey home. He even kissed us and thanked us for coming that far. I told him Good Lord willing, I am going with him when he takes a trip to Jerusalem. I had mentioned that we had a pastor, Rev. Duane Oakley just passed away and he had told us to tell Rev. Hagee hi and Rev. Hagee said, I will see him one day and visit.

On the trip home from Dallas to St. Louis, we were perfectly in the clouds. No blue sky to see or ground, completely in the clouds. I was thinking of our trip and of Duane and all of a sudden, the cloud parted at the end of the wing and the sun glistened down and I felt a voice, telling me Duane was with me and it is well. God always knows just what to say and when and what a wonderful comforting feeling. I felt I could reach out and touch Him.

If my pictures don't come out, I will always have the memories of this trip in my mind and would tell everyone, Go to San Antonio and hear a wonderful minister. Rev. Hagee preaches one Sunday and his son Matthew the next unless something comes up.

Just wish we lived closer, but have to say Rev. Duane Piercy at Camargo is just as God filled and it is closer to drive...

Thanks for letting me share our experience and May God Bless Us All.

One last thing, we went to Duane's funeral and Jim Allen had the most beautiful Eulogy I have ever heard. It was heartfelt and truthful. God Bless you Jim.

# Shimkus' Staff to Be In Chrisman July 29

Danville, Illinois... Congressman John Shimkus (R, Illinois-15) has a tradition of having his staff hold office hours in addition to those he holds himself. This is an opportunity to meet with someone from Shimkus' office in your hometown.

"These office hours allow you to meet face to face with my staff instead of over the telephone or having to drive to Danville," Shimkus explained. "The staff person will be able to handle any issue you may have regarding my office or the federal government."

A member of Shimkus' staff will be in Edgar County on Monday, July 29, 10:00 till 11:30 a.m. at the Chrisman City Hall, 222 West Madison Avenue.

Those who cannot attend in person may contact Shimkus' office at 201 North Vermilion Street, Suite 218, Danville, IL 61832. The telephone number is (217)446-

More information on services offered by the Congressman's office is also available on his website: http:// shimkus.house.gov. You may sign up for a weekly e-newsletter on the website in order to stay informed of the Congressman and issues from Washington, DC. Shimkus also has Facebook and Twitter accounts.

Constituents requiring special accommodations should call at least 48 hours prior to the scheduled office hours.

# Emergency Disaster Drill to be in Garrett

The Douglas County full-scale tornado exercise being conducted on July 27, 2013 by the Douglas County public Health and the Douglas County emergency management agency is scheduled to take place at 9 AM on July 27<sup>th</sup>. Prior to this exercise, there will be a code red alert call for those individuals residing in the Garrett area. This call will serve as a reminder that the simulated disaster is preparing to begin. Keep in mind that traffic of Garrett will be restricted to those having disaster participant vehicle identification provided by village officials showing the date of the exercise on a particular color background. People at the entrances to the community may ask to see your driver's license or state ID card showing that you are in fact a resident of Garrett.

The exercise development team will also ask that should you have any questions or concerns regarding the exercise between the hours of 9 AM and 1 PM on July 27th, please call 217-253-9538 or 217-253-4048. Someone at these numbers will be able to assist you.

We would also like to remind you that during the evening hours of Friday, July 26 through the morning hours of July 27, Township road crews will be placing debris in and around Garrett.

Emergency personnel conducting simulated debris cleanup and damage assessment and search rescue efforts will only be operating on public right-

of-way. On behalf of the community of Garrett and the Douglas County Department of public health, Atwood Fire, Hammond Fire, Douglas County ground search and rescue and the medical reserve Corps along with the American Red Cross, the Champaign County emergency management agency, the Douglas County Sheriff Department, Douglas County Highway and all of the Douglas County townships as well as the courthouse officials in the county, animal control, Illinois emergency management agency region seven and those other agencies participating along with those who elected to take their day in service volunteers or other persons, necessary to make this exercise as close to the real situation as possible if I miss someone please accept my apologies. I would like to take this opportunity to say thank you to all that made this possible. Thank you all for your patience and understanding and please accept my apology for any inconvenience this may have caused. Joseph A. Victor, Douglas County
