## Brocton Red Barn Antiques/Craft Show Celebrates 14th Year

A look down one of main aisles showing the vendor booths and customers Saturday morning. Although the weather didn't cooperate quite as well as many would have wanted the show was a huge success. Strong winds and cold temperatures caused a drop in attendance but the customers still had a great selection of antiques and craft items to choose from. No-one left empty-handed while we were there. ## Newman and Murdock United Methodist Churches Finish UP First Quarter Mission Emphasis *by Rev. Joy Starwalt*

On Sunday, March 30, the Newman and Murdock United Methodist Churches wrapped up their first quarter mission of donating to the United Methodist Men's organization's project of *Strength for Service to God and Country: A Daily Devotional for Military and Public Service Professionals*. *Strength for Service* books were distributed during World War II and the Korean conflict before it went out of print. Fifty years later, Evan Hunsberger was inspired by his grandfather's worn copy of the devotional and worked on an update, keeping many of the original devotions and soliciting devotions from contemporary religious leaders. In 2002, *Strength for Service* was reissued by the United Methodist Men. The pocket-sized devotional is waterproof and tear-resistant and holds 365 devotions written by leading Protestant ministers

in the early 1940s besides 40 additional contributions from women, Roman Catholic clergy, African American and other ethnic minority leaders. Since 2002 the devotional has been distributed to more than 375,000 people of all denominations, to our troops, to institutions caring for the wounded, to police, firefighters, paramedics, prison guards, and other public servants. The goal is to give a copy of this devotional book to every active duty member of the US Armed Forces.

The Newman and Murdock United Methodist Churches adopted this as their first quarter mission for 2014, asking people to donate toward these \$7. books. In these three months the two churches collected \$812 or donated 116 devotional books! When the United Methodist Men's office was contacted, obviously they were delighted with our contribution and informed us that most recently they are sending books to relief workers in the Washington state mud slide, and to Fort Hood, following that deadly shooting. It was a timely and amazing mission project.

## Easter Egg Hunt on Good Friday

 FROM THE NEWMAN  
COUNCIL OF CHURCHES

**Paster Terry Bailey  
Church of God**

I have been asked a time or two – Pastor, what do you believe?  
Well, I am glad you asked. Let me share a little with you.

I believe Jesus is Lord. I believe He is the Savior and by His death on the cross and resurrection on the third day we might be saved; in the world to come from the consequence of sin and in the present day from the reign of sin.

I believe in a Triune God, understood in three persons: Father, Son, and Holy Spirit.

I believe the Spirit convicts us of sin, draws us to God, seals us for redemption, reminds us of Jesus’ Holy Words, and equips us for heaven’s purpose. I believe the Holy Spirit can possess us, transform us, and gift us, as we accept God’s grace and forgiveness, by faith, in Christ.

I believe Jesus is the subject, the church is not. If we are in a right relationship to Jesus, the church will be fine – we are fine. I believe no program,

no methodology, no doctrine, no ministry will be of value or consequence without this relationship.

These convictions animate four core values I hold dear in my life.

**1. Truth:** The Bible is my ultimate guide and authority, the standard by which I strive to live. Our world is filled with competing ideas and values, voices everywhere demanding attention and allegiance. I believe the Bible is God’s written Holy Word. It helps me understand my world and myself. There are to be no verses in the Bible omitted from teaching. Thus, a Christian is not a Christian unless he/she has given themselves ‘wholly’ in the Worship of our Lord; ACCEPTING and APPLYING all scripture to their life. The Bible explains God’s love and His desire to be in a life long relationship with us.

**2. Worship:** Worship is a way of life... it is a humble spirit...it is the gathering of God’s people to honor and serve Him. It includes, prayer, song, teaching, listening, and loving...it is confession and repentance...it is the filling of the Holy Spirit....thus, it is experiencing the presence of the living Christ.

**3. Community:** Our love for God is proved true by the way we love one another. The Lord calls us to live in community, sharing the joys, sorrows, triumphs, struggles, and responsibilities of His work—and our lives—in this world. We develop and nourish life-changing relationship with each other.

**4. Mission:** Jesus came to proclaim, heal, free, and restore.... So must we. God’s love, experienced in worship and community compels me to reach beyond myself. I must be a man on a mission – not just pursuing a project or program, but someone daring to intentionally work for the redemption and reclamation of ALL WHO COME—JUST AS CHRIST DID. I thank you and welcome you to the Newman First Church of God; Bible study Wednesday at 6 p.m. and church service 10:30 Sunday morning.(alfcvs)

### THANK YOU

Words cannot convey the gratefulness we feel for all the cards, calls, food, flowers, and visits during the last six months while awaiting a bone marrow transplant. Church members, friends, and neighbors gave so much support, that it made the road easier to travel.

Our special thanks to two special angels: Barbara Rothermel and Maranna Oakley. They cooked meals for the family and were the drivers to Chemo and Radiation sessions. Thank you for your kindness.

May God bless you all for concern and love.

Sincerely,

# Wesley Chapel Community Club Meets

by Darlene Hutchinson

Wesley Chapel Community Club met on Wednesday, April 2, at the home of Martha Crane. Roll call was answered by nine members: Julia Albin, Marge Albin, Dee Allen, Nancy Allen, Julie Bauter, Martha Crane, Shirley Emberton, Darlene Hutchinson, and Anna Williamson and 2 guests: Judy VanSickle and Marsha Fernandes. Each member answered by telling of a flower in the bible. We had one April birthday, Shirley Emberton, and we sang Happy Birthday to her.

Julie Bauter reported on the March birthday party at the Nursing Home. Wesley Chapel was privileged to provide the gifts for the five residents who had birthdays during that month.

Dee Allen reported that Sean and Tarne Mixson will be traveling to Indonesia during the time of our next club meeting, so we decided to postpone our May Tea at Dee's house for a week until Wednesday, May 14. Nancy Allen will have the Miracle in the Bible in May.

Martha gave our Songs & Devotions by giving a reading from a book by Helen Fricke titled "The Stone that Rolled Away" in preparation for the Easter season. She then read Matthew

26:33-35 in which Jesus told Peter he would deny him three times; she talked about Maudy Thursday and the Last Supper, and then read "Impossible Stone" which told about the stone being a major obstacle for Mary Magdalene and the other Mary as they came to the tomb, but the stone or obstacle had been removed. She then gave each member a beautifully decorated garden stone with a word of faith on each one. Martha gave a prayer followed by us singing "Jesus Loves Me".

Prayer requests were announced, and Anna Williamson led us in those prayers.

Darlene gave the Miracle in the Bible and read Matthew 14:13-21 which told of Jesus feeding five thousand with two fish and five loaves of bread.

Martha then turned the meeting over to Judy VanSickle who told of her recent trip to Israel. Her trip began by flying into

Tel-Aviv and then proceeded to northern Israel visiting such cities as Joppa, Caesarea, Megiddo, Nazareth, the Sea of Galilee, Mt. of the Beatitudes, Capernaum, and the Jordan River. Proceeding southward, they went to Mt. Tabor, Bethlehem seeing the Church of the Nativity, Mt. of Olives, Church of

All Nations, and tomb of Mary, Masada, Dead Sea, Jericho, Garden Tomb (which is owned by the British), and Golgotha. They went to the Via Dolorosa which showed the 14 stations that Jesus walked carrying his cross on the way to his crucifixion. As she described the people and places she had visited, so also showed us some souvenirs and let us taste some goodies from Israel. It was a very moving and wonderful

presentation, and we were all glad Judy came to share it with us.

Everyone proceeded to Martha's beautifully decorated table with an Easter and spring theme. We had our usual Chit Chat while enjoying Martha's sherbet parfaits. Marsha Fernandes surprised her Mom by coming to the meeting, and we all enjoyed visiting with her during our Chit Chat.

## Diligence

A grandfather was talking with his grandson one day, about the things he'd done in a land far away.

He said, "Tommy, I've done many things I didn't like to do, but it insured our children could live freely, like you.

Before I went to war all I had killed was that twelve point Buck.

and I tell you it was nothing but luck.

I had an old Iver Johnson twelve gauge loaded with double ought.

I don't really know the last time it had been shot.

But that Buck showed his head out from behind some trees

My mind thought, 'Wow,' and I let out a sneeze.

Just as the buck turned and started to run,

I pulled back on the trigger and down he come.

That Buck was so big he fed our family for half of the year, and back in my day food was something that people held dear."

The grandfather walked to his bed and the night stand, and came back holding a medal in his hand.

He said, "This is my award for the sacrifices in combat I had to give.

To insure that Americans had a free country in which to live,

but, Tommy, each day they're trying to take our freedoms away.

I've been a hunter and a soldier and guns aren't for play.

Weapons should always be in responsible hands,

whether for sport, hunting or protecting this land."

Congenital Diaphragmatic Hernia (CDH)

A congenital diaphragmatic hernia is a birth defect where there is an opening in the diaphragm. The contents of the belly, including the stomach, spleen, liver and intestines go up into the chest. There is little room for the lungs to grow and develop. CDH occurs in approximately 1 in every 2,500 births (1,600 cases in the U.S. each year). The diaphragm is formed in the first trimester of pregnancy and controls the lungs' ability to inhale and exhale. Roughly 50% of babies born with CDH do not survive. Of the 50% that do survive, most will endure long hospital stays, feeding issues, asthma and other problems. A few of the survivors suffer from severe long-term medical issues. The cause of CDH is not yet known.

This event is being held In Loving Memory of our CDH Angel

# Shiloh Sports

with Tim Hendershot

## Track Teams Translate Indoor Success to Strong Outdoor Start

This season has been one of transition for the Shiloh Raiders track and field program. The Blue and Gold added some depth with the inclusion of athletes from the Tri-County sports program consisting mostly of participants from Oakland High School. That inclusion has paid off with some strong finishes during a couple of indoor meets to start the 2014 season. The Raiders hoped that the indoor success would translate into the outdoor portion of the schedule. As of the first meet, that has come to fruition. The STC squads took their indoor success and started the outdoor portion of the season with some huge results and showing the rest of the area that both the boys' and girls' teams will be a factor going forward.

Last Tuesday, the Raiders finally got the opportunity to hit the outdoor track

in a three team meet in Paris hosted by the Paris Tigers. The Casey-Westfield Warriors were the final team in the meet looking to start off the outdoor season on a high note. The boys' meet was a back-and-forth duel between the host Tigers and the Raiders all meet long and as the smoke cleared, Paris ended the day squeaking out a one point win over STC for first place honors by a score of 65-64. Casey-Westfield also had a strong meet finishing in third place with 48 points. The Raiders ended the day with seven first place finishes with both the 800 meter and 3200 meter relay teams taking the top spot with the 800 team finishing with a time of 1:41.0 and the 3200 team finishing in a time of 9:43.5. Michael Hudson had a strong meet winning both the 110 meter high hurdles in a time of 18.76 seconds and the 300 meter intermediate hurdles in a time of 44.78 seconds. He took 2<sup>nd</sup> place in the pole vault event with a leap of 10 feet, 6 inches. Preston Skinner continued his hot start with a win in the 200 meter dash in a time of 25 seconds while taking 2<sup>nd</sup> in the high jump with a leap of 5 feet, 10 inches and taking 3<sup>rd</sup> place in the 400 meter run with a time of 59.28 seconds. DJ Castillo took the win in the 1600 meter run with a time of 5:31.5 while his teammate Corey Maxedon finished right behind him in 2<sup>nd</sup> place with a time of

5:33.5. Dalton Skiles took 3<sup>rd</sup> place in both the 200 meter run in a time of 27.11 seconds and the discus with a throw of 93 feet, 9 inches. Skiles also took 4<sup>th</sup> place in the 100 meter dash with a time of 12.83 seconds. Dalton Painter took second place in the 3200 meter run with a time of 12:56.3 while JJ Keske took 3<sup>rd</sup> place in the shot put with a throw of 33 feet, 4 ½ inches. The brother duo of Johnny and Matthew Craig took 2<sup>nd</sup> and 3<sup>rd</sup> places respectively in the long jump with Johnny jumping 15 feet, 11 inches and Matthew jumping 14 feet, 9 ½ inches. This finish is the highest finish for the boys' team in the current history of the program and shows that this group of young men is ready for any team that comes their way.

The girls' team also had a good start to the outdoor season gaining 24 points to finish in 3<sup>rd</sup> place in the triangular meet. The host Tigers won the meet with 56 points and the Warriors came in 2<sup>nd</sup> place with 36 points. Andi Luth continued her great start with two wins in 100 meter dash and the 400 meter run in times of 13.76 and 1:09.9 respectively. Luth also took 2<sup>nd</sup> place in the 200 meter dash with a time of 30.66 seconds. Emily Royer started her 2014 season with a win in the 1600

meter run in a time of 8:07.75 and took 2<sup>nd</sup> place in the 800 meter run in a time of 3:24.91. Madison Kerans took 2<sup>nd</sup> place in the long jump with a leap of 13 feet, 2 ½ inches. With these good results, the girls' team looks to become a dark horse with several athletes becoming contenders in their respective events.

The teams were then to travel to Arthur last Friday for the Arthur Invitational. As like Central Illinois, a strong spring storm came into the area during the early morning hours causing conditions to be unusable. Due to the rain, the meet was cancelled and rescheduled for earlier this week.

The Raider track teams will have already participated in two big meets this week as they would have traveled to Villa Grove for the Blue Devils Cinder Classic hosted by the Villa Grove/Heritage Blue Devils on Monday and traveled to Arthur on Wednesday for the rescheduled Arthur Invitational hosted by the Arthur-Lovington/Atwood-Hammond Knights and Lancers teams. The Speedy Sprint will have the rundown of these to key outdoor meets for you next week as the season gets into full swing.

## Titans Finally Break Barrier Ending Opening Season Skid by Tim Hendershot

It took a big game for the Tri-County/Shiloh Titans to break the early season slide that the team and Head Coach Joe Morrissey were in. No better time to do that while starting up LOVC league play. The Titans looked to break a four game losing streak to start the 2014 season while gain some big momentum going to a strong week of games. Despite two of

The team was then supposed to have two games on Tuesday and Thursday against the Arthur-Lovington/Atwood-Hammond Knights in Hume and the Shelbyville Rams in Shelbyville. Mother Nature had other plans as rain showers went through the area for three consecutive days forcing the cancellation of these games. The game against the

Knights will have been made up earlier this week.

The Titans (1-4 overall, 1-0 LOVC) will have began the week with three straight home games on Monday, Tuesday, and Wednesday against the A-L/A-H Knights, Cumberland Pirates, and Arcola Purple Riders respectively. The games against the Knights and Purple Riders would have been played in Hume while the match-up against the Pirates will have been played in Kansas. The team

those games being wiped out by Mother Nature, the men of the Purple and Orange saw the offense open up and have a bounce back performance on the mound to gain their first win of the season and finally get the monkey off their back for now.

Monday was the conference opener as the Titans faced off against the Martinsville Blue Streaks in Martinsville and for three innings saw the game stay tight at 0-0 with the team still trying to gain a rhythm. That

rhythm finally came in the top of the 4<sup>th</sup> inning to the tune of 15 runs and the host Streaks never could answer the challenge as TCS finally broke into the win column with a 16-0 victory in 5 innings. After a rough first start of the season, Eli Furgeson was dialed in only giving up 4 hits while only walking one and tossing 4 strikeouts. Cyrus Furgeson went 2 for 2 with 2 RBI while Clint Foster ended the day 2 for 3 with a double and Austin Thompson finished 1 for 1 with 2 RBI. Brandon Stone also went 2 for 2 in the win. Taylor Hollingsworth took the loss for the streaks going 3 innings while giving up 5 runs and 8 walks while striking out one.

will have no rest as they will play their fourth straight game of the week once again at home in Hume against the Hoopeston Area Cornjerkers in a non-conference game. First pitch is set for 4:30 pm. The team will them travel to Neoga for a doubleheader contest against the Neoga Indians. Start time for the first game will be at 10:00 am with the second game to follow. Weather permitting as always, Diamond Roundup will have the full rundown of all six games for you next week.

**GOOD LUCK TO TCS DURING THE BASEBALL SEASON!**

## Offensive Barrage Giving Raiders Big Momentum by Tim Hendershot

For the first two games of the 2014 softball season, the new look Shiloh/Tri-County Raiders had a tough task playing against two of the top teams in the area, but slowly but surely were starting to make early progress. Head Coach Sondi Mattingly's squad knew that they had to find some way to build momentum and continue to gel as a unit in order to keep faith within the team. How about 35 runs in their last two games to boost that momentum? That is exactly what the Raiders did last week as the offense came to life while the pitching and the defense sparkled during a 2-0 and bringing the squad to .500 on the year and gain a lot of confidence.

Last Monday was the LOVC opener as the ladies of the Blue and Gold headed to Martinsville to face off against the Martinsville Blue Streaks. The bats that

were held in check for the first two games of the season broke out in a big flurry to the tune of 24 runs and starting pitcher Jessica Hunt was dialed in keep the hosts in check to earn the co-op team's first win of the season by a score of 24-3 in 5 inning mercy rule.

**Shortstop Tori Stierwalt comes in to score after a wild pitch during the Raiders 24-3 win over Martinsville last Monday in the LOVC opener for both teams. photo by Jodi Baxter**

Hunt went the distance tossing 11 strikeouts while helping out on the offensive end garnering 3 RBI and a season high 5 stolen bases. Tori Stierwalt also had a breakout game going 3 for 5 with 4 RBI in the win.

There was no rest for the weary as the team came back home on Tuesday for a key non-conference contest against the Oakwood Comets. Once again, Jessica

Hunt kept her momentum going with some strong pitching and had it combined with a defensive performance that was the best of the season. The offense continued its momentum using good patience at the plate and an aggressive attitude on the base pads using a 5 run third inning to cruise to an 11-1 win in 5 innings for their second straight win. Hunt took the complete game win on the mound only giving up 1 run (earned) and only 2 hits while walking one and striking out one. She also went 1 for 1 with 2 walks and 3 runs scored. Both Stephanie Deem and Tori Stierwalt went 2 for 3 with an RBI with Deem scoring three runs and Stierwalt scoring two. Lauren Moses also went 1 for 1 with 2 walks and 2 runs scored while Katie Fitzpatrick went 1 for 1 with 2 walks and 2 RBI and Maddie Flesner recorded a walk and a stolen base. Desiree

Brown finished 1 for 1 with a stolen base, 2 walks and a run scored in the win.

The team was then supposed to play on Wednesday in a key LOVC showdown against the Arthur-Lovington/Atwood-Hammond Lancers in

Hume. As typical of spring weather, rains during the overnight and morning hours forced the game to be cancelled. The game will have been played earlier this week.

The Raiders (2-2 overall, 1-0 LOVC) will have started a busy week of action with three straight games at home Monday, Tuesday, and Wednesday against the A-

# Shiloh High School Seniors of the Week

written by Mrs. Casey Long & Freshman English Class

## To “Dye” For!

By Alex Asbury

Have you heard about those students who are just down right hysterical? Well, one of those individuals just happens to be Shiloh's very own, Steven Dye. Steven has attended Shiloh his entire life and claims he has no regrets from his high school career.

After high school, Steven plans on attending Murray State University to major in pre-law. Steven would like to become a trial lawyer or a judge in the future and would like to live in Saint Louis, Missouri, or in Alabama. When asked where he sees himself in five to ten years, Steven replied, “Living in Saint Louis as a lawyer.”

### Steven Dye

Steven is the son of John and Suella Dye. He has an older brother named Jonathan, and two cousins, Kyle and Aaron, to whom he is really close. There are many people at Shiloh who are friends with Steven. One in particular is Stephanie Deem, who Steven says is his best friend. Stephanie also happens to be Steven's favorite junior. As for his favorite seniors, they include Luke Armstrong, Kyle Dye, Nathan Haynes, and Kaleb Hood. Steven also has a favorite teacher, which happens to be Mr. Carver.

Some of his interests outside of school are baseball, football, hanging with friends, and just having a good time. Steven is a four year member of both the football and baseball teams. His favorite memory from football is coming back to beat Arcola in the 2013 season. “If it's not all about winning, why do they keep score?” This is Steven's favorite quote, which reflects his competitive nature.

Even though Steven's favorite food is macaroni, his favorite restaurant is Buffalo Wild Wings. His favorite book is *Where the Red Fern Grows*. Steven said that if he had one million dollars, he would pay off his car, pay his way through college, buy his parents a new house, and then invest. His dream car is a Ford Mustang 5.0.

Steven says that he has become more responsible since his freshman year at

Shiloh. When asked to describe himself in three words, he said that he is “funny, outgoing, and witty.” Some advice he would give to underclassmen is to try hard your freshman and sophomore years, because it is not just your junior and senior years that count. Steven thinks that he will be remembered most for being loud and funny. As for final words to his senior class, Steven says, “We made it!”

## Shake and Bake!

By Cecily Batts

“If you ain't first, you're last.” This memorable quote is from senior Madison Kerans' favorite movie *Talladega Nights*. This movie fits Madison's fun, unique, and energetic personality. Known to family and friends as Madi, and to some friends as Madawg, she is the daughter of Jonathon Driscoll and Karen Driscoll. Madi, resident of Hume, has three younger siblings. Friends are very important to Madi. When asked what she would miss most about high school, she said interacting with people, but she would not miss the homework.

Although Madi is graduating from Shiloh, she did not spend her entire high school career in Hume. Madi came to Shiloh her junior year from Mattoon High School. She says that the difference between the two schools is the size difference, and Mattoon has more variety of classes and extra-

### Madison Nicole Kerans

curricular activities. One thing she misses is playing tennis, which is her hobby outside of school. If senior Madison Kerans could give advice to underclassmen, it would be to not slack off and to do your homework.

Madi's plans after high school include attending Lake Land College for two years and then transfer somewhere else, but she does not know where yet. She plans on getting a job in architectural design because she wants to design buildings. When Madi was younger, she wanted to be a lawyer. However, she is not a big fan of reading, so she ruled out that profession.

When asked about her celebrity crush, Madi said it would be Adam Levine or any of the Avengers because they are gorgeous. She loves any music

with a similar genre to Maroon 5. If Madi could live anywhere, she would reside in Hawaii or somewhere warm. Given the opportunity to have any pet in the world, Madi would choose a dog or turtle. If Madi could change anything about her life, it would be to live closer to her grandparents.

One aspect of the future Madi is nervous about is the stress of searching for a job. In ten years Madison can see herself finding a steady job and finding herself a man, but no children yet. Madi's favorite teachers are Mrs. Pollock and Mrs. Belobraydic. “They are easy to get along with so that makes their classes easier,” Madi explains. This reflects Madi's laidback and fun personality. When Madison Nicole Kerans graduates, Shiloh will lose a fun, quirky, humorous, and outgoing person.

## Rappin' Rob

By Azriel R. Kelley

“Kind, generous, and mellow” are three words to describe Mr. Robert Lee Sims. He is usually quietly walking down the hallways from class to class. Although he will miss seeing some of his fellow classmates, Robert is ready for the next stage of his life. He plans to attend Lake Land College in Mattoon, Illinois, and then transfer to Eastern Illinois University in Charleston, Illinois. One thing Robert regrets most about high school is not being more social during his freshman and sophomore years.

Mr. Sims is greatly liked by many classmates as well as underclassmen. Robert is the son of Melinda Dye and Chris Sims of rural Metcalf. He also has one older brother, Andy Dye. Although Robert has many interests in and out of school, he enjoys learning most about web design in school and hanging with friends outside of school along with rapping in his spare time. His favorite rapper is Busta Rhymes.

Robert's advice to underclassmen is to always stay positive and to surround yourself with people whom you enjoy. One person he especially looks up to is his mother, for she is the strongest and most caring person he knows. His mother has influenced Robert by showing him how to treat people right and how to be considerate toward others.

Shiloh has prepared Robert for his future by teaching him to be tolerant of all people. Robert's fellow classmates and friends say they will remember him rapping and “spending good ole times”

### To Die For Fettuccine Alfredo

24 ounces dry fettuccini pasta  
1 C. butter  
¾ pint heavy cream  
Salt & pepper to taste  
1 dash garlic salt  
¾ C. grated Romano cheese  
½ C. grated Parmesan cheese

Bring a large pot of lightly salted water to a boil. Add fettuccini and cook for 8 to 10 minutes or until al dente; drain.

In a large saucepan, melt butter into cream over low heat. Add salt, pepper and garlic salt. Stir in cheese over medium heat until melted; this will thicken the sauce.

Add pasta to sauce. Use enough of the pasta so that all of the sauce is used and the pasta is thoroughly coated. Serve immediately.

years with his own house, a wife, and possibly a first child.

Mr. Sims has been involved in basketball for many years. Throughout his childhood, he wanted to be a NBA player, which now he said, has changed. His favorite movie is *Basketball*, a movie about two childhood friends who grew up together and created a game mixed with basketball and baseball. His favorite professional athlete is Ray Allen who is a basketball player for the Miami Heat. “Hard work beats talent when talent fails to work hard.” This is Robert's favorite quote by basketball player Kevin Durant.

One thing Robert wants to accomplish in life is to become successful. He also would like to be driving a 2014 Shelby Mustang GT after high school. Upon graduation, Robert will soon be “rapping” his way to his future.

L/A-H Lancers, Urbana Tigers, and Arcola Purple Riders respectively. The team will travel to Decatur this Friday afternoon for a non-conference contest against future LOVC members in the Decatur Lutheran Lions. The Raiders got their first ever post-season win against the Lions last season in Decatur and hope to continue that trend. First pitch is set for 4:30 pm. Of course as always, weather will be permitting for all four of these games. Diamond Roundup will have the highlights of a busy week for STC softball and have a report for you next week.

## Craniums and Geraniums Workshop

Is it getting harder to manage your garden due to physical limitations? Have you always had a large garden, but now need to downsize? As people age, their mental and physical health can decline due to a variety of reasons. Researchers keep finding that physical activity not only helps a body stay healthy, but also contributes to mental health. Brain exercises are also a way to improve memory and cognitive abilities. Gardening could be classified as a physical activity and a source of exercise for the brain, along with many other activities.

Join University of Illinois Extension Educators, Dave Shiley and Cheri Burcham, as they lead an informative workshop, "Craniums and Geraniums," on April 24 from 1:00 – 3:30 PM at the 4-H

Center, Coles County Fairgrounds in Charleston. This workshop will address the connection between health and gardening and will teach older adults about how to minimize injury and utilize new gardening techniques and tools designed for the aging population. Participants will learn about brain health and memory while actually performing brain exercises. They will also learn to plant seeds, transplant and care for plants and will put together a vegetable and flower container to take home for their enjoyment.

This is an Eastern Illinois University Academy of Lifelong Learning class and pre-registration is required by calling 581-5114 or going online to [www.yougotclass.org/catalog.cfm/EIU](http://www.yougotclass.org/catalog.cfm/EIU). There is a nominal fee that covers the container garden supplies and other materials. Any questions can also be answered by contacting Cheri Burcham at [cburcham@illinois.edu](mailto:cburcham@illinois.edu). Enjoy a fun-filled afternoon of working your craniums while planting geraniums!

## April Health Screenings at PCH/FMC

(Paris, Ill.)—Leighsa Cornwell, RN, BS, community health and disease management coordinator at Paris Community Hospital/Family Medical Center, will provide blood pressure, blood sugar, and lipid panel/total cholesterol screenings (HDL, LDL, and triglycerides).

The screenings will take place in the PCH/FMC Visiting Specialty Clinic from 7 to 9 am on Tuesday, April 15, and Thursday, April 17. For blood sugar tests, patients are asked to fast eight hours prior to the screening. The cost for all three screenings is \$25.

To schedule an appointment, call 217-465-2606 (or toll free 1-866-465-4141), Ext. 228.
